

2023 Enduro/Demolition Derby Rules

1. Only front wheel drive cars. Maximum V6 engine. No trucks, 4-wheel drive, rear wheel drive or all wheel drive vehicles allowed.
2. Must remove all glass (except windshield) including loose glass from edges of window moldings, mirrors, headlights and tail lights.
3. No loose objects hanging from outside or from underneath of car anywhere.
4. No leaking (dripping) of fuel, oil or water anywhere
5. Stock tire and rims only. Only air in tires, no chemicals of any kind.
6. No additional piping, reinforcement or excessive thick steel patching to improve the strength of the body or frame.
7. A drivers door plate and/or H Bar is allowed.
8. All doors can be welded shut.
9. Hood and trunk not to be welded or bolted.
10. Exhaust to be securely fastened
11. Driver door window mesh recommended.
12. No rope, bungee cords, etc.
13. Must run stock seatbelt. A four point harness is recommended.
14. Driver must wear an approved full face helmet.
15. All entries are to register a number. Numbers must be legibly painted on both doors. Cars are also to have a minimum 6" number painted on the top corner of the passenger side of windshield.
16. No profanity, crude drawings or other objects deemed inappropriate are to be painted or displayed anywhere on the car. Any car which violates this policy will have the violating sections painted over or removed. Failure to comply with this policy may result in removal from competition per track discretion.
