

## *Competitor Rule Updates for the 2022 Season*

### **FOR ALL CLASSES (except Women on Wheels)**

Harness build date must 2019 or newer.

### **Women On Wheels**

Cars no longer must remain at track.

### **Mini Stock**

4" Ride Height

No Camber Rule

### **Street Stock (Common Rules For All NB & PEI Tracks)**

Rules posted separately

### **Late Model Sportsman**

No rule changes at this time. We are monitoring upper control arm mounts for the 2022 season. If we see something that is too far off the rules it will asked to be adjusted.
